

Information

on the new deadline for bid submission for the concession award
for the exploration and exploitation of oil and gas in the Federation of Bosnia and
Herzegovina

FBiH Government, on its 221st session, held on April 30, 2020, adopted the information from the FBiH Ministry of Energy, Mining and Industry on the impact of the coronavirus pandemic on the international public call for concession awards for exploration and exploitation of oil and gas in the Federation of Bosnia and Herzegovina and accepted the extension of the deadline for bid submission to the fourth quarter of 2020.

FBiH Ministry of Energy, Mining and Industry has, based on the estimated situation and the ability to prepare and submit bids, determined December 5, 2020 as the new date by which bids must be submitted.

This information is published on the websites of the Ministry and FBiH Government.
